

# Teachers ... the Good and the Bad

*Students know what a good teacher looks like. These are real comments from real students about some of the teachers they have had.*

## **What Students Don't Like About Some Teachers ...**

No sense of humour. No enthusiasm  
Disorganized  
Embarrassing students in front of the class  
Boring lessons  
Yelling all the time  
Comparing students to others  
Always sending problem students to the office  
Ridiculing, using sarcasm  
Meaningless punishments (eg: writing lines)

## **What Students Like About the Best Teachers ...**

... are interested in kids  
... care about students as people  
... treat students with respect  
... trust students, and give them responsibilities  
... admit mistakes  
... like the job, they're enthusiastic and have lots of energy  
... are still learning  
... are fair  
... really listen  
... have a sense of humour
